

Fort Sanders Regional Medical Center is currently undergoing a construction project to expand emergency and critical care capacity in the hospital.

Beginning February 2, the P2 level of the Center for Advanced Medicine parking garage will be closed.

Patients and visitors have these parking options during this time:

-  **Thompson Cancer Survival Center Parking Garage** (off Clinch Avenue)
-  **P1 of the CAM Garage** (limited spaces available)
-  **Laurel Avenue Parking Garage** (directly across from the CAM Garage)
-  **Valet** (located at both the main entrance of the hospital and the Center for Advanced Medicine off Clinch Avenue)

Thank you for your patience as we work to improve your experience.
